

Dear Parents and Caregivers

Please find enclosed the Contribution and Charges Schedules for 2026. As indicated in the Education Act/Regulations, the School Board is responsible for approving contributions and charges for students.

The enclosed package is a result of a consultation process with the Wickham PS Finance Committee and the School Board.

The transparency in disclosing the maximum anticipated cost of Contributions, Charges and Personal Use items to Parents / Caregivers is a key feature of the School Education Act, Regulations and Department Policy.

I trust the enclosed information will assist you in planning.

Yours faithfully

PAYMENT OPTIONS

We can accept payment by cash, direct deposit and EFTPOS. If required, parents may consider alternative payment options (for example instalments). Payment arrangements may be discussed with the Manager of Corporate Services.

CHARGES FOR OPTIONAL ACTIVITIES THROUGHOUT THE YEAR:

Charges apply for the provision of extra cost optional activities that are part of an education program and which 'voluntary contributions' do not cover. All activities as attached are optional and if no payment is received, an alternative educational activity will be provided for your child. The School Board recognises the value of these types of activities and seeks to support teachers who coordinate them as part of their teaching programs.

The Finance Committee has approved, and School Board noted all 2026 extra cost optional activities. The estimated costs provided are at an upper limit and will not exceed the amount shown. If a particular event does not transpire within the 2026 school year, no charges for that event will apply.

Payment of the attached is not required at the time of finalising payment of 'voluntary contributions'.

Where extra cost optional activities have been arranged, payment will be requested immediately prior to the event.

REFUND OF CONTRIBUTIONS AND CHARGES

When a student transfers to another school, a pro-rata refund may be requested.

INSURANCE

It is strongly recommended that parents check their health and general insurance policies to ensure adequate and current medical, personal property and liability insurance cover is in place.

The school is not liable for medical expenses arising from accident or illness, loss of or damage to personal effects and property. The school will call an ambulance if the circumstances require. Parents will be informed and the cost of such will be the parents' responsibility. Risk Cover provide insurance coverage for school authorised camps and excursions that involve an overnight stay. Each family should ensure that they have adequate emergency ambulance cover.

BILLING SYSTEM

Parents will receive a statement for Contributions & Charges early 2026. The attached information is to help with your budgeting and is a Department of Education requirement that we provide to you 2 months prior to the new school year.

Please do not pay until January 2026 at your earliest if you are paying by Electronic Transfer, referenced with the Student's Name and Year Level (i.e. John Smith, Year 1). Alternatively, wait for your statement, from Wickham PS, early in 2026.

Should you have any queries please do not hesitate to contact the Principal, Katie Andrew or the Manager Corporate Services, Michelle Schut, at the school on 9185 8500.
